CATERING TO YOU

There is no better place to celebrate your special event than Woody's. If you are looking for live entertainment, cocktails and fun sharing food, you have come to the right restaurant and bar. We do not believe in the typical hassle and drama that other venues create for large groups. We take pride in hosting customer events and making them as special as you can create them to be. Let us customize your private catering experience today. We can cater to any corporate party, holiday event, or private function you desire. Our 4200 square foot multi function venue has semi-private areas in addition to the main bar and dining area offering our guests unique personalized options. Our private and semi-private areas will serve from 10-75 guests. Call and reserve your event today!
